CELEBRITY'S 14 AWARD-WINNING SHIPS

Celebrity has brought together a team of world-class architects, interior designers, stylists and landscape artists to create a showcase of the most inspiring spaces at sea, custom designed for the traveler. Celebrity's newest ship, the Edge, received the award for "World's Best Newest Cruise Ship", which I had the pleasure to recently experience on a sailing out of Fort Lauderdale, Florida.

UNFORGETTABLE DESTINATIONS

Celebrity brings the world's most incredible destinations in modern luxury. It offers unique experiences in more than 300 destinations on all seven continents. It stays longer and travels further to connect with local life and culture in a way most other cruise lines can only imagine. Celebrity provides cruises with 236 overnight stays, the most port overnight of any premium cruise line with European itineraries.

As if discovering the world wasn't amazing enough? Here are the experiences while on board a Celebrity ship.

CULINARY EXCELLENCE

The menus are crafted by Michelin-starred chef Cornelius Gallagher, inspired by local and regional visits. Choose casual or upscale, Asian, French or Italian, dining room or alfresco under the stars. With a dozen specialty restaurants, and an array of bars, lounges and clubs, every experience takes you on a journey. And with Celebrity's Select Dining, you dine when and with whom you want.

LUXURIOUS ACCOMMODATIONS

Exhilarating days of discovering the world deserves an equally amazing place to recharge. Revel in stylish design. Sink into exquisite bedding. Bask in breathtaking views. Celebrity's modern luxury accommodations have been artfully created to make your stay warm and welcoming.

OUTSTANDING SERVICE

Celebrity's outstanding service elevates luxury in an art form and with a staff member for every two guests, a helping hand is always near. An international concierge network recognized by their signature "golden keys," focused on exceptional and personalized guest service. The largest team of on-board sommeliers, ensuring you have the right wine to go with your anniversary dinner. Twice daily stateroom service with chocolate at turn-down. Returning from a shore excursion on a hot day, you will be welcomed with a chilled towel!

ENTERTAINMENT

Celebrity's award-winning "Studio" offers a unique array and assortment of both contemporary music and iconic hits with their cutting-edge theater design and technology as well as extraordinarily diverse talent from all over the globe. There is live music by the Celebrity Orchestra, four- to five-piece house bands and solo and duo acoustic vocal-guitar shows.

ONBOARD ACTIVITIES

Family and youth partake in a variety of programs to build skills. For the younger kids, there is "Camp at Sea." There's also a STEM program (science technology, engineering and math) with activities that are powered by experiments and demonstrations. An art program lets the junior cruisers express themselves in different ways. A culinary program for young foodies, creating and designing cupcakes to making a pizza.

Adults can partake in fun interaction volleyball with the cruise ship officers. Afternoon brings meditation, dance and yoga classes, while on the ship's top deck real grass, lawn games, croquet and bocce.

So, whether you are planning a trip to Alaska, Canadian Rockies Mediterranean, Northern Europe, Transatlantic, Italy and Greek Isles, South America, Eastern, Western and Southern Caribbean, Canada and New England, Australia and New Zealand, Hawaii and South Pacific, Panama Canal, Asia or Galapagos Islands, Celebrity has it all with very attractive rates.
