Imagine Awe

Over discovering fantastic vistas in **The Last Frontier**. Imagine exhilaration while exploring the wilds of **Alaska**. Imagine relaxation upon finding your slice of paradise in **The Caribbean** and

a visit to **Old Mexico** for romance and adventure.

Imagine Bliss

That's what you'll experience when you vacation on **Norwegian Cruise Line's newest** and most incredible ship, coming to **Alaska, Caribbean and Mexican Riviera in 2018-19**. The Bliss has been custom-built for spectacular features; a revolutionary **Observation Lounge** to soak in every stunning moment, from bald eagles soaring over the Alaskan glaciers to dolphins splashing through the warm turquoise Caribbean waters and Los Arcos at Lands End on the Mexican Riviera.

Imagine Activities

To get your heart racing go to the top of the ship. Zoom around hairpin turns, as you race for the checkered flag on the largest race track at sea. Swirl down a double loop tandem water slide that whooshes over the side of the ship. Get ready for a laser tag battle of galactic proportions under the stars. Watch the kids smile wide as they play the day away at the Kid's Aqua Park. Go for a dip in one of the two pools or soak in the infinity hot tubs.

Imagine Energy

Connecting three dazzling decks of bars, restaurants, casino gaming, shopping and entertainment, nonstop action day and night.

Imagine Breathtaking

Under the sun or stars on the **Bliss Waterfront**, a quarter-mile wraparound ocean front promenades featuring a host of restaurants. Unwind in a **Beach Club** exclusively for guests 18 and over. Relax and rejuvenate in the **Thermo Suite** at **Mandara Spa**.

Imagine Sublime

More dining options than days of the cruise to experience a wide range of complimentary and specialty restaurants. Discover the **Main Dining**

Rooms, where the daily changing menus are as fresh as the ingredients used. Or enjoy the Texas Smoke House Q, Le Bistro, signature, French restaurant, Los Lobos, Mexican cuisine, Cagney's Steakhouse, Ocean Blue, seafood, La Cucina Italian restaurant and Teppanyaki, cooking your meal on a Japanese hibachi grill before your eyes.

And for chocolate lovers, **Coco's**, array of savory treats including truffles, pralines, crepes and more. **Starbucks** is there for your caramel macchiato and more. And best of all, you have no fixed dining times or preassigned seating. You have the freedom to dine when you want and were your palate leads you. Unique bars and lounges include **The Cellars**, wine bar, **The District Brew House**, 50 different bottled beers and 24 draft beers on tap. **The A-List Bar**, **Jimmy Buffett's Margaritaville** and **Sugarcane Mojito Bar**.

Imagine Sensational

Norwegian Cruise Line sets the standard for the best entertainment at sea. **Jersey Boys**, a Tony Award winning smash, with the '60s and '70s classics, featuring look-a-likes, Frankie Valli and the Four Seasons. And Debuting, an original at sea exclusive, **iHavana**, a show that features electrifying dance, colorful pageantry and sensational sounds including original songs. Enjoy great music with a **Beatles** cover band. And be part of the action, an upscale venue that transforms **Standup Comedy** with a **Dance Floor and DJ** to dance to favorite tracks.

Imagine Happiness

Consider The Norwegian Bliss as your playground at sea for kids. **Guppies**, ages 6 months to 3 years, a dedicated space for parents and youngest guests to play and spend quality time. **Splash Academy**, ages 3 to 12, from themed activities top parties with supervised staff. Even group sitting on port days or in the evening to make a romantic night out. **Entourage Teen Club** ages 13-17. From the hippest dance club, video games, movies, arts and crafts, music and sports.

Imagine Tranquility

Hidden away at the top of the ship is **The Haven**, an exclusive enclave accessible by private key card with luxurious and well-appointed accommodations, complete with private pool and sun deck, butler and concierge. Other ship accommodations include a choice of staterooms from Mini Suite,
