Celebrity Cruises introduces *Celebrity Edge*, a **NEW SHIP** designed to leave the future behind. Celebrity's Edge visionary design raises the bar on cruise vacations to even greater heights. It is a \$1

billion premium cruise ship with 2,918 passengers. Celebrity Cruises' iconic "X" is the mark of modern luxury with its cool, contemporary design. It makes every moment of your vacation an unforgettable journey!

## ACCOMMODATIONS ON EDGE:

*The Edge's breakthrough design* enables larger rooms to reach the water's edge. The unique staterooms have an "infinite veranda," which turns the guest quarters into a closer connection to the sea. A simple touch of a button gives guests open air access to the sea, bringing the outside in and inside out.

*The Retreat* offers a spectacular new experience with a suite category. There are round the clock personal butler service and exclusive suit-class restaurant, Luminae. The iconic suites are nearly 2,600 square-feet with two bedrooms, two bathrooms, featuring mind-blowing views, thanks to panoramic views from all rooms. The 700-square-foot veranda suite offers a 270-degree view of the ocean. The split-level edge villas has a private plunge pool and direct walk out access to the retreat sun deck. The penthouse suites have two bedrooms and two bathrooms. And there are 146 outward facing sky suites. All suites are fitted with exclusively designed plus king size cashmere mattresses, an industry first.

## DINING ON THE EDGE:

*Complimentary dining* has expanded on the Edge, with four new restaurants from the Eden Café to the popular Ocean View Café and Mast Grill, there's every opportunity to please your palate morning, noon and night.

The world's first Magic Carpet, cantilevered from the side of the ship, becomes the ultimate specialty open-air restaurant. It's the size of a tennis court and scales 16 decks through the day and evening positioning at four of the ship's decks, transforming into a new and exciting dining experience at four different levels.

Other specialty restaurants: Fine Cut Steak House, Le Grand Bistro, Raw on 5 and The Magic Carpet, and the Roof top Grill, with barbecue favorites.

## FAMILY FUN ON THE EDGE:

*Celebrity's Camp at sea*, is fun, engaging and enriching family cruise experience. Age group: shipmates, 3 to 5's, cadets, 6 to 9's, captains 10 to 12's and teens, 13 to 17's. Activities range from culinary for the young "foodies," art activities, creating a masterpiece into an act of cruise vacation celebration. Recreation with a wide range of games and S.T.E.M (Science, Technology, Engineering and Math) activities powered by experiments, demonstrations and everyday science that will amaze young minds.

## SPA ON THE EDGE:

Whether you want to clear your mind, fine tune your body, reinvigorate your spirit or all of the above, the 22,000-square-foot *Edge spa* is the unparalleled escape you deserve. With a design that rivals the world's leading spas, including an array of restorative spa, beauty and fitness experiences never before offered at sea and a holistic wellness journey like no others on land or sea.

## ENTERTAINMENT ON THE EDGE:

*The theater on Celebrity's Edge* throws away the curtain altogether, blurring the line between the audience and performance, and immersing guests in an entertainment experience like no other. With four stage areas and three gigantic moving projection screens, the theater offers an ever-changing canvas for the productions that live there. The main stage extends into the audience creating a theater-in-the-round sensation. A duo-directional rotating platform rises almost 7feet above the stage to take performances to a whole new level. With two rotating spiral staircases, 10 synchronized panoramic projection screens, 16 state-of-the-art video mapping laser projectors, aerial performance rigging and more technology behind the scenes, will at times steal the show.
