outstanding service and taste wonderful culinary from around the world. All of this while enjoying luxurious accommodations. I am here to tell you, you can experience “celebrity travel.”

Celebrity Cruises has made this possible

for you to select your destination, number of days and price point for a perfect vacation. Winning the Cruise Critic’s Cruisers Choice Awards for the best cruise line in the Eastern Caribbean, the Mediterranean and Alaska, it only makes sense to cruise with Celebrity Cruises.

## LIFE’S A BEACH AND MORE

Island hop like never before on an award-winning ship. On a Caribbean cruise, “life’s a beach.” Actually hundreds, some long and straight, some tucked between cliffs, some brilliant white and some volcanic black. There are beaches to dive and snorkel coral reefs teeming with tropical fish. The Great Maya Reef is the largest living thing in the West. You can climb waterfalls and descend into caves. Play golf on a lush green course, ride horseback through turquoise waters and swim with friendly dolphins. Or take in the history of the ancient Maya temples and Spanish colonial churches. A shopper’s paradise to enjoy duty-free fashion to fragrances to designer jewelry, Cuban cigars and even blue Delft Figurines.

## EXPLORE THE MEDITERRANEAN

Explore the wonders of the Mediterranean on a European cruise vacation and discover the many cultures, rich histories, and iconic cruises of some of the oldest civilizations in the world. The Mediterranean Sea is encircled by beautifully diverse and vast terrains. From the French Riviera’s sun-kissed beaches through the Balkans, the Greek Isles and Israel, Celebrity’s unparalleled, culturally immersive European cruises deliver the Mediterranean like no other.

## ALASKA IS MUCH MORE

Journey through the wild terrain of Alaska and discover the natural wonders that wait as the rugged beauty of this pristine frontier unfolds. Get close and personal with 30-ton whales, zip-line through a rainforest with a visit to Mendenhall Glacier. Or take a flight high
